Fire Chief's Report

During the past year we have had five fires: three forest fires, one house fire and one dump fire. We were called to assist at a forest fire in Bethel and a house fire in Woodstock. The department was also called to stand by during an emergency situation in Greenwood.

The Fire Department is now in the process of distributing telephone stickers to all occupants of Greenwood which give the new toll-free number for reporting fires. This number—1-800-482-7433—connects to the Oxford County Fire Control and the department is alerted through their Plectrons.

With the proceeds of the auction which we held this summer and donations to the department we were able to purchase radios, an engine for a portable pump, additional hose, and other small tools and equipment.

We have a regular fire meeting, an officers meeting and a training session once every month. Fire training along the lines of the effective organization of a fire department was made available to us through the efforts of the Southern Oxford County Vocational Region 11 at no cost to the town or the department and six members of our department took advantage of this opportunity. It is expected that other fire related courses will be available during 1977 and it is hoped that many firemen will be able to attend these programs.

CHARLES S. MELVILLE,
Fire Chief

Greenwood Scholarship Fund

The scholarship fund is made up of monies from the town, donations and interest.

Each year a sum of money is awarded one or more persons.

Any resident of Greenwood for at least one year, furthering their education beyond grade 12, is eligible to apply for the scholarship. Application forms are available from any School Board Member of Greenwood.

Application forms must be completed and returned by May 1 of each year. The decision by the School Board Members of Greenwood, of person or persons to be awarded the scholarship(s), will be made by June 1, of each year.

The award will be paid directly to the school attended between Dec. 1 and Dec. 30 to be applied against second semester expenses.

Auditor's Report

January 25, 1977

Board of Selectmen
Greenwood, Maine

Gentlemen:

In accordance with the provisions of Title 30, Section 5253, Revised Statutes of 1964, and at your request, the financial records of the Town of Greenwood have been audited for the municipal year ended December 31, 1976.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Transactions effecting Federal Revenue Sharing Funds were examined in accordance with the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, U. S. Department of the Treasury.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to

have been appropriately handled, with such exception as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted.

C. R. WOODMAN
Public Accountant

COMMENTS

TOWN OF GREENWOOD

January 1, 1976 to December 31, 1976

An audit of the financial records maintained by the various officers of the Town of Greenwood has been completed for the municipal year ended December 31, 1976.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

Net departmental balances lapsed to general fund surplus amounted to \$11,930.95. This was occasioned by unexpended balances in excise tax and overlay accounts (Exhibit D). Most unexpended balances were carried forward to 1977 at the direction of the Selectmen.

ASSETS The general fund cash balance of \$33,250.59 was reconciled with a statement furnished by Casco Bank and Trust Co., Bethel, Maine.

Accounts Receivable of \$1,417.01 consisted principally of balances due from individuals for cemetery and highway activities.

Taxes receivable of \$31,145.78 represented the uncollectible balance of the 1976 commitment of \$31,077.91 and a balance of \$67.87 from prior years.

Tax liens amounted to \$2,547.80 at the year end, while tax acquired property totaled \$859.80.

LIABILITIES . . . Notes payable at the year end totaled \$16,000.00 issued during the year to complete the purchase of a new fire truck.

SURPLUS Appropriation account balances carried forward to the ensuing year amounted to \$30,010.91, and represented departmental balances carried forward at the direction of the Selectmen.

The unappropriated surplus amounted to \$20,076.40 at the year end, a decrease of \$6,518.53 for the period.

GENERAL A review of the Town Clerk's records revealed the Selectmen were authorized to issue Town Notes not to exceed \$16,000.00 to complete the purchase of a new fire truck.

REVENUE SHARING FUNDS available from the State amounted to \$9,563.24 of which \$6,429.61 was applied to reduce the tax rate. Federal revenue sharing funds available amounted to \$37,534.29, of which \$7,151.23 was used as voted by the Town. Detail is shown on Exhibit F.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were utilized to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at December 31, 1976, and the result of its operations for the year then ended.

Report to the Taxpayers of Greenwood

In 1976, with the opening of the Town Office 20 hours a week, it has given the taxpayers a chance for closer contact with their elected officials.

Due to the resignation of the Road Commissioner, Steve Hakala in July, several road projects were not completed, however, these should be done in 1977.

The pumper for the Fire Department should arrive either in March or April of this year.

The State valuation of Greenwood for 1977 is \$7,800,000. This requires the Town to have the amount of \$4,680.00 on hand for maintaining our Town Poor.

This year and in years to come, the role of the assessor is going to become more difficult, as a result of certain minimum standards to be met by all municipalities by 1977-1978 and 1979.

1. A 50% minimum assessment ratio by 1977.
A 60% minimum assessment ratio by 1978.
A 70% minimum assessment ratio by 1979.
2. A maximum rating of assessment quality of 30 by 1977.
A maximum rating of assessment quality of 25 by 1978.
A maximum rating of assessment quality of 20 by 1979.
3. A physical inspection and inventory of each real parcel and personal property account will take place at least every 4 years.
4. Assessors will conduct annual ratio studies.

Our average ratio was 38% and our assessment quality was 47 for the sales of property between October 1975 and October 1976. Consider carefully Articles 44 and 45. Remember the chairman has only passed 3 of the 6 courses

at the assessors school and is not qualified to valuate commercial property and in some cases local property. Nobody likes to pay taxes, but as long as you pay your fair share, the fewer complaints there are.

The Town Officials have held the line on wage increases, therefore, in Article 20 we recommend the fire department receive \$2.50 for fighting fires.

I wish to thank my fellow officials on the board for their interest and help this past year.

HERBERT E. DUNHAM, Chairman
Board of Selectpersons
Town of Greenwood
